TRANS DANUBE

WP 6

Jointly for our common future

Action 6.1

- Project evaluation during final conference

Action 6.2

- Stakeholder involvement
- Regional / national workshops

Action 6.3

- Participation at conferences, meetings and relevant public events
- Project cooperation

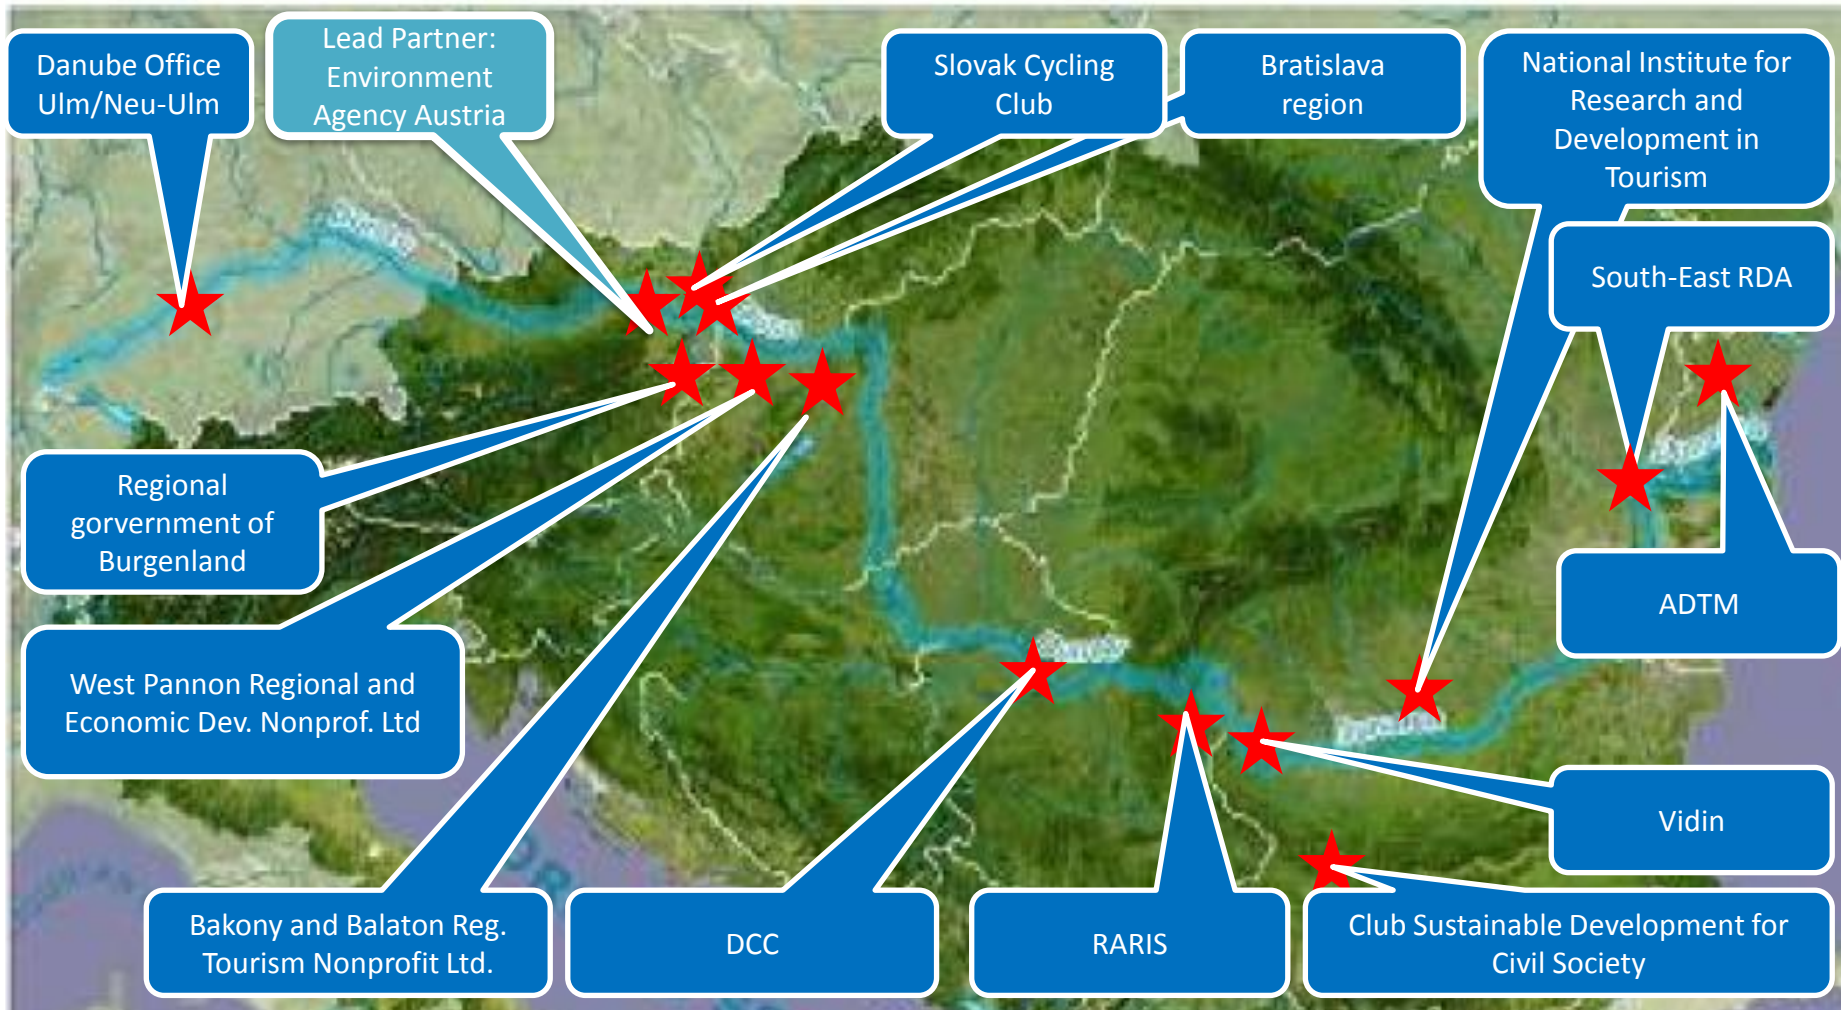

Action 6.2: Regional+national stakeholder involvement

- Coordination of activities (also for the time after the project)
- Bringing together the right stakeholders
- Passing on information about the project
- Asking for feedback, data and specific know-how

Action 6.3: Transnational+EU-stakeholder involvement

- Networking, using synergies
- Making Transdanube known
- Coordination of activities

Evaluation during final conference in Belgrade

For Example:

- Conference was...
- Assessment of specific aspects of the conference
- Further Actions/Needs
- Review of the whole project time
- What should be done in the same way?
- What should be done in a different way?
- What should be better next time?

National workshops and regional events

- Min. 2 workshops per partner
- Plan your final workshops now
- Other regional/national events could be:
 - National tourism/mobility fairs
 - Meeting with different authorities, e.g. mayor of a city, ministry for mobility or tourism
 - Meeting with only one stakeholder or a working group

International Events

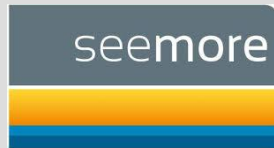

Symposium during
Internationales Donaufest 2014

Transnational and EU-Stakeholder

Coordination with other projects/networks

- Do not loose the contact to your stakeholders
- Organise regional/national events
- Try to form working groups that will also continue work after our project ends
- Try to find the right events for presentation
- Raise awareness for sustainable mobility in tourism
- Think about interim funding between 2014 and 2015

Thank you very much
for your attention!
