

## Funding opportunities

## Connecting Europe Facility

## Connecting Europe Facility

**80 to 85%** of CEF financing will be used to support:

- | Core network projects: priority projects along the 9 **Core Network Corridors** + **limited number of other sections** projects of **high European added value** on the core network.
- | **Horizontal projects**: mostly IT related, such as SESAR (Single European Sky Air Traffic Management System), or ERTMS (European Rail Traffic Management System)

**Annual Work Programmes (2014 and 2020):**

- | each between 5-6 billion
- | target projects that address transport infrastructure development or shorter-term transport policy priorities.

## Connecting Europe Facility

- | 30 Mio (20 Mio CEF + 10 Mio CF) managed by INEA
- | Projects focus on missing cross-border links + remove bottlenecks along CNC
- | Non-reimbursable grants for investments
- | Seed capital: stimulate further investments by Member States
- | Application: pre-defined calls (1st call for proposals in Sept. 2014)

## Structural funds: complementary EU financial support for transport infrastructure development

### Cohesion Fund

- | €34 billion (out of which €10 billion within CEF) for transport infrastructure in eligible Member States
- | TEN-T sections (both core and comprehensive)
- | Connecting secondary and tertiary nodes to TEN-T infrastructure
- | Less developed regions: up to 85% of eligible costs
- | Transition regions: up to 75% of eligible costs

## JASPERS

- | JASPERS helps to improve the quality of major projects to be submitted for grant financing under structural or cohesion funds
- | Based on Integrated Transport Strategy  precondition for allocation of EU-funds
- | JASPERS („Joint Assistance to Support Projects in European Regions“, funded by EC, EIB and EBRD) has worked out an intermodal approach and supports EU-members (incl. candidate countries such as Serbia and Turkey)
- | Applications must be submitted through National Authorities
- | JASPERS operates on the bases of country Action Plans prepared annually by member states

Jointly for our common future
