

TRANSDANUBE

INVITATION

TRANSDANUBE FINAL conference

September 09th, 2014

Dear Sir or Madam,

The Environment Agency Austria is very pleased to announce the Final Conference of the SOUTH EAST EUROPE Programme Project TRANSDANUBE – Sustainable Transport and Tourism along the Danube on

September 09th, 2014

Belgrade, Serbia

organized by the IPA-PP2 RARIS in cooperation with the Observer Partner Serbian Ministry of Agriculture and Environmental protection and the IPA-PP1 – Danube Competence Centre.

Aim of the project, which started in autumn 2012 and will end in September 2014, is to tackle the weak accessibility levels and poor quality of transport services in SEE as a major constraint for further economic development and growth in the Danube region. By developing sustainable mobility offers the project will improve accessibility and facilitate the concept of sustainable tourism in the whole Danube region. The regions will benefit from increased added value from tourists being able to reach touristic destinations even in the hinterland of the river.

During the Final Conference the results of the project will be presented. International experts and speakers from the TRANSDANUBE team will discuss following topics:

- Current status of sustainable mobility in tourism along the Danube*
- Methodologies to tackle the identified problems*
- Sustainable mobility offers and tourist packages implemented*
- Good practices within and beyond the Danube region*
- Future challenges*

The TRANSDANUBE Final Conference is your chance to get more information about the current developments in the regions along the Danube!

*We are looking forward to meeting you in Belgrade,
Georg Rebernig*

*Environment Agency Austria
Managing Director*
